CONCRETE  
CONSTRUCTION

QUALITY BUILT TO LAST

Concrete, the better choice for so many reasons:

Provides acoustical insulation between suites

A premium product - more costly to build but better long-term investment value

Is energy efficient, stabilizing temperatures to reduce seasonal heating and air conditioning needs

Is fire resistant, safer and more secure

*"I finally will have a place of my own. I like that it's a mid-sized building. I don't want to live in a big fancy tower and wait for the elevator and not meet my neighbours. This size feels just right and it's a really easy commute into Hamilton for work." A, Hamilton*
